WARNING: THIS DOCUMENT CONTAINS SARCASM! Laughing or chuckling is encouraged. ☺

We at Net Strike Arena Inc. want to provide a safe, fun experience for all participants. Individuals of all ages are welcome (under 13 requires accompaniment of parent or legal guardian, age 18 or older). However, minor participants and their parent/legal guardian must sign the consent and release section of this form on page 2.

I, _____ (**PRINT full name**), hereby waive, release and forever discharge Net Strike Arena Inc., its officers, directors, stock holders, employees, staff, volunteers and sponsors, first-born children, second cousins, etc. from any and all liability for any personal injuries, theft of personal property, or property damage that I may sustain or experience as a result of, or during, my participation in any Net Strike Arena Inc. events, including (but not limited to) any personal injuries or property damage that I believe I may have sustained as a result of the negligence, in whole or in part bla bla bla, of Net Strike Arena Inc., or the negligence of Net Strike Arena Inc.'s officers, directors, stockholders, employees, staff and/or volunteers, grandparents, aunts, uncles, etc. I further agree to indemnify and hold harmless Net Strike Arena Inc., its officers, directors, stock holders, employees, staff, volunteers and sponsors, our moms and dads, our dogs and cats, etc. from any and all claims of any nature whatsoever by any third-party or third-parties, including, but not limited to, claims by third party(ies) for personal injury and property damage, which they allege or contend are caused, in whole or in part, as a result of any act(s) or conduct by me, regardless of whether my acts were unintentional, negligent, or intentional, which may occur immediately prior to, during or immediately following any events sponsored by or conducted by Net Strike Arena Inc.. **I am responsible for my actions while at Net Strike Arena Inc. and will be held accountable for my actions. This includes any and all damage to property caused by me.** I understand that if property damage occurs, my account will be suspended and my parents will be contacted (if under age 18).

HOUSE RULES:

I agree to abide by the following rules:

1. One account per person and only the account holder may use the account.
2. Time purchases and event fees are applied directly to your account and may only be used for computer time or specified event. Purchases are non-refundable. All sales are final.
3. Only one person may sit at a computer station.
4. Please follow the direction of Net Strike Arena Inc. staff.
5. Ask for help when you need it from Net Strike Arena Inc. staff.
6. No food or drink carry-ins. Net Strike Arena Inc. has a great selection of snacks, beverages, food items, and coffees and teas.
7. Net Strike Arena Inc. is not a daycare facility. The majority of the games we offer are rated T (Teen). Therefore, our minimum age requirement is 13. Guests under 13 must be accompanied by a parent or legal guardian, who must either be logged in to a station or waiting in the café area at all times. Guests under the age of 13 will have a very limited selection of available games and this may diminish their gaming experience. (Not trying to be mean here, we just want you to have the facts.)
8. We do not allow food at the computer stations. You must eat in the Café area. As long as you are careful, we do allow drinks at the stations. (Fountain drinks, coffee, and tea must have a lid on them at all times.)
9. **NO ILLEGAL DRUGS.**
10. **NO NUKES.** The sale of uranium to foreign countries is likewise prohibited.
11. **NO SMOKING.** There are plenty of places for you to go and pollute your lungs. Net Strike Arena Inc. is not one of these places. Likewise, it's bad for the computer equipment. Ever seen an AMD try to hack some RAM out of the back of a tower? Trust us. It's not a pretty sight.
12. **NO FIGHTING OR HORSEPLAY.** This leads us to the next line...
13. You break it, you buy it. We understand that accidents can happen. However, if something gets broken because you were horsing around, you can expect to pay for the damages.
14. **NO LOITERING.** This means that you must be: logged on to the computer, eating/drinking in the café area, or actively participating in events/activities of Net Strike Arena Inc.. If you leave the facility, you may not hang around the outside of the building. Loitering is considered a misdemeanor offense and you will likely be ticketed. You'll have more fun staying inside and gaming with us anyway.
15. **NO PORN...unless you are starring in it and we can publicly humiliate you!! (Just kidding! The rule stands.)**
16. You agree to help keep things in tip-top shape by reporting broken or damaged equipment to a staff member. If you see anyone damaging any equipment or furnishings, let a staff

member know immediately. If you accidentally break something, please let us know. You won't get grounded or put in time-out or anything. We want to keep things in the best possible condition at all times and this includes taking care of the broken stuff as soon as it is reported.

17. Be respectful to Net Strike Arena Inc. staff and the facility. We've worked really hard to make this a great place and do our best to make sure that you have a good time while here.
18. Be respectful to other customers. We want everyone here to have a good time. Don't do things to interfere with their experience like shouting across the facility at your buddy, messing with their equipment while they are playing, or just generally being a nuisance to everyone around you. If you feel the need to constantly talk to yourself at a loud volume, distract other customers, sing constantly in the in-game voice-com, exhibit body noises or random sounds repeatedly, or just act plain stupid, then you may wish to play at home so that the only person you annoy is yourself.
19. Management reserves the right to refuse service.
20. We reserve the right to change these rules without notice at any time.

HOUSE ETIQUETTE:

1. You are responsible for your personal belongings at all times. Do not touch anyone else's belongings unless you are specifically asked to do so.
2. **NO CHEATING.** Sad that we have to say this at all. Cheating is considered to be bad form all around and is frowned upon in the gaming community at large. So please don't ask us about random cheat codes for games. We don't endorse it, won't help you, and might possibly make fun of you for cheating no one other than yourself.
3. **NO HACKING.** This is another thing that should go without saying. If the staff finds anyone attempting to hack into any computers, switches or other equipment on Net Strike Arena Inc. network, you will be asked to leave and banned from all future sessions...as in say BUH-BAI!!
4. Please use common sense with gum. We don't want to find it any other place than your mouth or the trash can. (We wouldn't even bring this up if it wasn't an issue.)
5. **NO SHOES ON FURNITURE...DUH!** I mean really! You'd think that this would go without saying.
6. Personal hygiene is a must. Not just for Net Strike Arena Inc., but the real world as well. (Again, this is one of those areas where we wouldn't say anything if it wasn't an issue.) Your clothing or person should not resemble the Peanuts character Pigpen in any manner, so we don't want to see any actual clouds of dirt or smell a cloud of stench around you. As a courtesy to

the other guests, please shower and use deodorant before attending. Using half a can of Axe or Tag is not an acceptable substitute either. Brushing your teeth is a stellar idea as well. 7. Please refrain from using excessive bad language. We all know that a bad word or two may fly out accidentally from time to time, but a true testament to your superior intelligence and wit is your ability to smack talk others without the need for profanity.

We do have guests here as young as 13 and they don't really need to be exposed to someone "cursing like a sailor." (No offense to sailors and all...)

8. We expect everyone to get along. This means that we won't tolerate bullies wanting to pick an argument or fight, the use of racial slurs or derogatory names, or anyone that physically threatens another person.

Net Strike Arena Inc., does not, under any set of circumstances, condone any type of illegal activity whatsoever, including but not limited to, the copying of illegal software, copyrighted audio or MP3's, or the distribution of pornographic material to minors. By executing this waiver and agreement to indemnify and hold harmless, I affirm that I am at least eighteen (18) years of age and acknowledge that I understand and agree to accept each of the statements, waivers, releases and agreements contained in this document and agree to abide by these policies. I understand that if I do not adhere to the rules listed above, Net Strike Arena Inc. staff may suspend my privileges on a temporary or permanent basis, based on the infraction, and this is the ultimately decision of the owners. I further understand that if I am under 18 and have my privileges suspended, my parents will be contacted and the nature of the incident will be fully disclosed.
